

The purpose of Pantry Secrets is not only to teach how to make a great loaf of bread, but to provide meals for your family.

I am a working Mom who teaches school and still manages to serve fresh bread, sweetrolls, and breadsticks for dinner. Who says that Moms can't do it all? Because of Pantry Secrets recipes and bread classes I have managed to please my family, dazzle my neighbors and give homemade bread gifts throughout my school. Thanks for making this at-work Mom have time to prepare the meals she always wanted.
